

## **Expectations for the Study of Chinese Bible Translation**

Daniel Kam To Choi

**Abstract:** This paper is a review, supplement and revision of *The Bible in China : With a Historical Catalogue of the Chinese Bible* and sets out expectations for the study of the history of Bible translation in China, including its collation and research directions. This paper suggests several directions for research on the subject of the Bible in China, in the hope of contributing to the creation of a detailed historical review.

**Key Words:** Chinese Bible, Bible Translation, Historical Catalogue of Bible
