

Abstract

Although the academic productions about the KaiFeng's Jews are very numerous after they were discovered, the research about when they entered into China and where they are from does not acquire the final conclusion up to now. The research about the KaiFeng's Jews entered into China is one of the most important issues in the exchanges between China and Western Countries and the Chinese Jews in the ancient times. So in order to promote the level of the KaiFeng's Jews research, it's necessary to arrange the research trend of the KaiFeng's Jews entered into China.
